Golf Group
Music Group
Walking Group
Woodshop Group
ARBI Connect

In 2019-2020, ARBI started to implement the Fee-for-Service as a means to reach out to more clients and become more financially sustainable. The fee was attached to the Outreach and Community Integration Program to partially recover the cost of the service.

To address a variety of needs of our clients, we introduced a new group called ARBI Connect. It was designed to offer physical and cognitive stimulation and a social opportunity to the graduates from ARBI'S Programs to reconnect.
